

Jeff Caudill

Director of Information Technology

p: 410.951.1423

jcaudill@gejlaw.com

Before joining Gallagher, Jeff spent nearly a decade working as a private IT consultant for companies across a broad spectrum of industries. In addition to managing the ongoing IT operations for the firm, he also works closely with the Litigation Group in complex matters involving E-Discovery. His substantial experience as a networking service provider to local, national, and international organizations is a great asset to both clients and the firm.

Jeff's networking credentials include, Microsoft Certified Systems Engineer, Certified E-Discovery Specialist, Citrix, A+ and N+ certifications.
